Established in 1992, the Utah Counties Indemnity Pool was created by Counties, is owned by Counties, and is governed by Counties. Pooling is a practical extension of local government’s obligation to be a good steward of public funds and is a prime example of efficient government through Interlocal Cooperation.

Utah Association of Counties (UAC) is a voluntary, not-for-profit corporation, operated by the 29 counties of the state of Utah. UAC was established in 1923 by elected county officials to assist counties in providing effective county governance to the people of Utah.

The Association is governed by a Board of Directors, composed of 37 members, including five designated officers and the UAC Chief Executive Officer.

The membership consists primarily of the nearly 300 elected county officials serving in Utah, but also includes departmental directors and deputy staff who are appointed to county positions.

UAC’s mission:
“To advance county issues with the state and federal government, improve public understanding of county government, assist all 29 counties to develop and share solutions through research and education, and provide effective support services to county officials to foster public trust and improve the efficiency of county government.”

UAC accomplishes that mission with legislative and educational initiatives, designed to unify and strengthen county governance in Utah.

Along with providing daily legislative advocacy and support, the Association staff also facilitates year-round education in a variety of formats that focuses on issues, procedures, and best practices for officials.

UAC also works to strengthen understanding of county government to a variety of other groups, including the general citizens of Utah, the media, state legislators, and other key local, state, and national government personnel and policy-makers.

For more information about UAC and to see some of the organization’s services in action, visit one of the sites below:

</table>
Durability, Variety, and a guarantee! any questions?

**Nylon U.S. Flags**
These fly beautifully in the slightest breeze and are made with embroidered stars. This is a high quality flag at a great price.

**2-Ply Polyester U.S. Flags**
This is perfect for high wind areas and is made with embroidered stars. It’s a heavier flag than the nylon flag and is still high quality at a great price.

**Poly-Cotton Printed Flag**
This lightweight poly/cotton flag is a great alternative when cost is an issue.

**Sun-Glow U.S. Flags**
This flag is a fully printed U.S. flag made of 100% SolarMax nylon for extra durability. Unlike flags with sewn stars that block the light, these dyed U.S. flags feature radiant white stars illuminated by the light of the sun or flood lamps at night.

INVESTMENT BANKING SERVICES FOR UTAH'S COUNTIES

Zions Public Finance provides creative and effective financing tools for your capital improvement needs. We can serve your County in any of the following capacities:

Municipal Advisor – In 2018, Zions was ranked as the #1 Municipal Advisor based on both the number of transactions and par amount as reported by Thomson Reuters.

Municipal Studies – Zions produces high-quality studies including impact fees, utility rates, economic development, tax increment, and feasibility studies as well as a wide variety of cost of service analyses.

Underwriter¹ – Zions is the only underwriting firm with an Underwriting / Trading desk located in Utah.

Direct Purchaser¹ – Zions holds one of the largest portfolios of Utah municipal bonds in the nation.

Other services that Zions offers:
• Bond Election Consulting
• Continuing Disclosure Services
• Capital Facilities Plans
• Feasibility and Economic Development Studies
• Special Assessment Area Administration
